

Dear Fifth Grade Scholars and Families,

Happy Spring! We hope you have a wonderful break and enjoy relaxing and spending time with your family. We also want to ensure that you come back to school ready for the end of the year, including Spring NWEA. In order to make sure you are ready to return after spring break, please complete this packet. Here is a checklist to help you stay on track and meet your break goals:

- Read at least 20 minutes a night and have an adult sign your reading log.
- Complete the two writing assignments in this packet.
- Complete two activities from the independent reading choice board.
- Complete ALL math pages in the packet.
- Science-
- If you have extra time, we recommend logging into Compass to complete reading and math activities!

Complete reading and one page of math each night to help stay on track. Return ALL completed work to your teacher(s) on April 13th to earn a reward.

Thanks,
Fifth Grade Teachers

Estimados estudiantes y familias de quinto grado,

¡Feliz primavera! Esperamos que tenga un descanso maravilloso y disfrute de relajarse y pasar tiempo con su familia. También queremos asegurarnos de que regrese a la escuela listo para fin de año, incluyendo Spring NWEA. Para asegurarse de que está listo para regresar después de las vacaciones de primavera, complete este paquete. Aquí hay una lista de verificación para ayudarlo a mantenerse encaminado y alcanzar sus objetivos de descanso:

- Lea al menos 20 minutos por noche y haga que un adulto firme su registro de lectura.
- Complete las dos tareas de escritura en este paquete.
- Completa dos actividades del tablero de elección de lectura independiente.
- Complete TODAS las páginas de matemáticas en el paquete.
- Ciencias-
- Si tiene tiempo extra, le recomendamos iniciar sesión en Compass para completar las actividades de lectura y matemáticas.

Lectura completa y una página de matemáticas cada noche para ayudar a mantener el rumbo. Devuelva TODO el trabajo completado a su maestro (s) el 13 de abril para obtener una recompensa.

Gracias,
Maestros de quinto grado

Independent Reading Choice Board

Directions: Choose 2 activities from the choice board. Complete your responses on separate paper and turn them in with your packet after break.

<p><u>What's the Word?</u> Choose a word from your book that you didn't know. Write down the sentence with the word. Write what you think the word means. Draw an image to represent the word.</p>	<p><u>Book Review</u> Do you like your book? Would you recommend it to a friend? Write a review telling what you like and don't like about the text and who you think should or should not read it.</p>	<p><u>Compare and Contrast</u> Choose two characters from your text (or a character from another text). How are these characters alike? How are they different? Use evidence to explain your thinking.</p>
<p><u>Comic Strip</u> Think about the part of the book you read today. Turn it into a comic strip. Include pictures and speech bubbles.</p>	<p><u>Teach Us!</u> After reading a nonfiction text, teach others about what you learned. Include main ideas and facts on the topic.</p>	<p><u>Movie Poster</u> Imagine your book is being turned into a movie. Design a poster to advertise the movie.</p>
<p><u>Character Study</u> Name 3 traits that describe the main character. Use evidence from the text to support why you chose these traits.</p>	<p><u>Reading Quiz</u> Create a 5 question quiz about your text. Write the questions and answer choices.</p>	<p><u>Illustrator</u> Choose a page from the book you read today. Pretend you are an illustrator and create a picture with details to match the page.</p>

Mixed practice word problems

Grade 5 Math Word Problems Worksheet

Read and answer each question. Show your work!

1. Suppose you want to buy three loaves of bread that cost \$1.50 each and a jar of peanut butter that costs \$4. A jar of jelly is \$2.75, but you don't need any jelly. You have \$10. How much money will you have left over?

2. The star running back on our football team got most of his total yardage running. The rest was catching passes. He caught passes for 60 yards. His total yardage was 150 yards. The running back for the other team got 200 yards. How many yards did the star running back on our football team get running?

3. The average temperature in Lincoln in July is 85 degrees. Last Wednesday, it was 90 degrees. Today it was 15 degrees cooler than last Wednesday. What was the temperature today?

4. Julie's yard is rectangular. One side of the yard is 100 feet wide. The total area of the yard is 3,000 square feet. What is the length of the other side of the yard?

5. Joanna has 3 more books in her backpack than Sophie. If Sophie has n books, how many does Joanna have?
