Rowe Families,

We hope you are all staying warm while we patiently await spring. It's that time of year when Rowe begins enrollment and recruitment season for our prospective families. Here at Rowe we have a saying: "Good people know good people!" We believe this is true for our families and staff alike. We need your help in sharing your love for Rowe with your family, friends, and neighbors.

*Here's what's in it for you: For every three scholars that you recruit to Rowe, and these scholars are ***present*** on the first day of school, you will get your **enrollment fee waived** for one scholar you have at Rowe!

We are also happy to give tours of the building to our perspective families and discuss the hopes and goals they have for their scholars. In addition, we are offering three open house dates so they can learn even more great things about Rowe:

- ✓ Tuesday, March 24th at 5:00pm
- ✓ Saturday, April 25th at 10:00am
- ✓ Monday, May 9th at 10:30am

Another exciting event coming up in March is Report Card Pick Up. It is very important that you attend your scholar's conference with his/her teacher(s) so your partnership can be strengthened as you discuss areas of learning and growth. You will receive many informative and critical documents that will ensure that you are set up for success with your scholar when you walk out the door. Dates for Report Card Pick Up are:

- ✓ Wednesday, March 18th - 4 to 5pm
- ✓ Thursday, March 19th - 4 to 7pm
- ✓ Friday, March 20th (no school for scholars) - 9am to 4pm

Finally, we wanted to bring your attention to a parent survey (coming soon) called the 5 Essentials. Your responses on this survey will impact Rowe's overall school rating with CPS. It is important that you not only take this survey but take it with pride, knowing that you are making a difference in helping families choose the right school for their scholar. As stated at the beginning of our letter, we have the pleasure of working with the best families in Chicago at Rowe and we know that your positive survey responses will result in even more families pursuing all that Rowe offers. We will let you know more details about taking this survey as soon as CPS releases it.

Thank you all for your continued support. Ms. Beckless will see you for the next Coffee with the RMS Principal on Thursday, March 5th and Ms. Wilson will see you at the next Coffee with the RES Principal on Friday, March 6th.
